HIPACK is building a professional, positive track record in Frankfort. Your contribution, in any amount, will help continue the fight to protect the housing industry in the Commonwealth of Kentucky.

HIPACK identifies and supports Legislators and candidates with a demonstrated commitment to:

- Improving and protecting housing affordability and homeownership opportunities in the Commonwealth
- Supporting small business
- Reducing over burdensome regulations
- Providing affordable insurance coverage for you and your employees

Each year we ask our friends in the Kentucky Legislature to support our efforts to carry out our Legislative Policy. By keeping our Political Action efforts strong we can then support those who support us when they run for office. 100% of the proceeds from your HIPACK contribution is donated directly to Legislators that have your needs in mind.

If the housing industry is to remain a healthy component of our state economy then we need to ensure that our voice is heard in a strong and consistent manner. That can only be accomplished through your generous support of HIPACK.
